Somerset's Premier Events Venue

Dillington House dates from Elizabethan times, and is one of the finest and most beautiful houses in Somerset. The mellow Hamstone house and immaculate gardens nestle in a stunning parkland setting at the heart of the Dillington Estate. With enchanting views from every aspect, Dillington has a wonderful array of photographic opportunities. Exclusively yours with a choice of elegant reception rooms, Dillington offers that real country house party experience.

Unlike many other wedding venues Dillington runs seasonal weddings between spring and autumn. We also have a few dates available at request during the winter months and Christmas.
